

Web Developer Job Description

We are looking for a skilled and creative web developer who, along with our development team, will be responsible for designing, building, and maintaining responsive and user-friendly web applications. Duties will include but are not limited to developing front-end and back-end components, optimizing website performance, and ensuring cross-platform compatibility. You will collaborate with designers, product managers, and other developers to deliver high-quality web solutions.

A bachelor's degree in computer science, information technology, or a related field is required. Candidates should have 1 to 4 years of experience in web development or related roles.

Web Developer Responsibilities:

- Designing and developing responsive and interactive web applications.
- Writing clean, efficient, and maintainable code using HTML, CSS, and JavaScript.
- Working with front-end frameworks such as React, Angular, or Vue.js.
- Developing back-end functionality using technologies such as Node.js, Python, or PHP.
- Integrating APIs and third-party services.
- Ensuring cross-browser compatibility and mobile responsiveness.
- Optimizing web applications for speed and scalability.
- Debugging and troubleshooting web application issues.
- Collaborating with designers and stakeholders to improve user experience.
- Maintaining and updating existing web applications.

Web Developer Requirements:

- A bachelor's degree in computer science, information technology, or a related field.
- 1 to 4 years of experience in web development or related roles.
- Strong knowledge of HTML, CSS, and JavaScript.
- Experience with front-end frameworks such as React, Angular, or Vue.js.
- Familiarity with back-end technologies such as Node.js, Python, or PHP.
- Understanding of RESTful APIs and web services.
- Familiarity with databases and SQL.
- Experience with version control systems such as Git.
- Knowledge of web performance optimization techniques.
- Strong problem-solving and analytical skills.
- Good communication and teamwork skills.
