

Lead 3D Artist / Modeler Job Description

We are looking for an experienced and visionary Lead 3D Artist / Modeler who will be responsible for leading the creation of high-quality 3D assets and defining the visual direction of projects. You will manage a team of artists, ensure artistic consistency, and collaborate with developers and designers to deliver visually compelling and optimized assets for games, virtual reality, and digital applications.

A bachelor's degree in multimedia, animation, fine arts, game design, or a related field is preferred. Candidates should have 6+ years of experience in 3D modeling, digital art, or related roles, including leadership experience.

Lead 3D Artist / Modeler Responsibilities:

- Leading the creation of high-quality 3D models, textures, and assets.
- Defining and maintaining the visual style and artistic direction of projects.
- Managing and mentoring a team of 3D artists.
- Reviewing and approving assets to ensure quality and consistency.
- Collaborating with developers and designers to align artistic and technical requirements.
- Overseeing asset pipelines and ensuring efficient workflows.
- Optimizing 3D assets for performance and real-time rendering.
- Providing feedback and guidance to improve team output.
- Troubleshooting artistic and technical challenges.
- Staying updated with the latest tools, technologies, and industry trends.

Lead 3D Artist / Modeler Requirements:

- A bachelor's degree in multimedia, animation, fine arts, game design, or a related field (preferred).
- 6+ years of experience in 3D modeling or digital art.
- Proven experience in leading teams or managing art pipelines.
- Expert proficiency in tools such as Blender, Maya, 3ds Max, or ZBrush.
- Advanced knowledge of modeling, texturing, lighting, and rendering techniques.
- Experience with real-time rendering engines such as Unity or Unreal Engine.
- Strong understanding of asset optimization and performance constraints.
- Excellent leadership, communication, and organizational skills.
- Strong artistic vision and attention to detail.
- A strong portfolio showcasing high-quality and diverse 3D work.
