

Senior Interactive Media Designer Job Description

We are looking for a highly creative and experienced Senior Interactive Media Designer who will be responsible for designing advanced interactive digital experiences across multiple platforms. You will play a key role in shaping design direction, mentoring junior designers, and collaborating with cross-functional teams to deliver engaging and high-quality multimedia solutions.

A bachelor's degree in multimedia design, digital media, graphic design, or a related field is preferred. Candidates should have 4 to 7 years of experience in interactive media design or related roles.

Senior Interactive Media Designer Responsibilities:

- Designing complex and engaging interactive digital experiences.
- Creating advanced multimedia content including animations, visuals, and interactive elements.
- Collaborating with developers, designers, and stakeholders to implement interactive features.
- Leading UI/UX design efforts to ensure intuitive and user-friendly experiences.
- Integrating audio, video, and animation into digital applications.
- Prototyping, testing, and refining interactive designs.
- Ensuring consistency in visual identity and interaction design.
- Analyzing user behavior and improving design performance.
- Mentoring junior designers and supporting team development.
- Staying updated with the latest design trends, tools, and technologies.

Senior Interactive Media Designer Requirements:

- A bachelor's degree in multimedia design, digital media, graphic design, or a related field (preferred).
- 4 to 7 years of experience in interactive media design or related roles.
- Strong proficiency in Adobe Creative Suite (Photoshop, Illustrator, After Effects).
- Experience with prototyping tools such as Figma, Adobe XD, or Sketch.
- Advanced knowledge of UI/UX design principles.
- Familiarity with front-end technologies (HTML, CSS, JavaScript).
- Strong creativity, visual design, and problem-solving skills.
- Excellent communication and teamwork abilities.
- Leadership and mentoring skills.
- A strong portfolio showcasing advanced interactive media projects.
