

Senior Motion Graphics Designer Job Description

We are looking for a highly creative and experienced Senior Motion Graphics Designer who will be responsible for designing advanced animations and visual content for digital media. You will play a key role in shaping visual storytelling, leading motion design efforts, and mentoring junior designers to deliver high-quality and engaging content.

A bachelor's degree in multimedia design, animation, graphic design, or a related field is preferred. Candidates should have 4 to 7 years of experience in motion graphics, animation, or related roles.

Senior Motion Graphics Designer Responsibilities:

- Designing and creating high-quality motion graphics and animations.
- Developing advanced visual concepts, storyboards, and animation sequences.
- Leading motion design projects and ensuring creative consistency.
- Collaborating with designers, developers, and stakeholders to deliver engaging content.
- Editing and enhancing video content with advanced motion graphics techniques.
- Ensuring consistency in branding, style, and visual storytelling.
- Optimizing animations for performance across platforms.
- Reviewing and refining work based on feedback and project requirements.
- Mentoring junior designers and supporting team development.
- Staying updated with the latest tools, trends, and techniques in motion design.

Senior Motion Graphics Designer Requirements:

- A bachelor's degree in multimedia design, animation, graphic design, or a related field (preferred).
- 4 to 7 years of experience in motion graphics or animation.
- Strong proficiency in tools such as Adobe After Effects, Premiere Pro, and Illustrator.
- Advanced understanding of animation principles and visual storytelling.
- Experience with video editing, compositing, and visual effects.
- Familiarity with 3D tools such as Blender or Cinema 4D is a plus.
- Strong creativity, attention to detail, and problem-solving skills.
- Excellent communication and teamwork abilities.
- Leadership and mentoring skills.
- A strong portfolio showcasing advanced motion graphics work.
